INTRODUCTION
Your motorcycle ride with New Mexico State University’s Cooperative Extension Service will cover a tremendous variety of riding conditions including twisty mountain roads; the possibility of sand, grave, or debris on the pavement, and even the possibility of rain and wind while on your ride. Elevations will change and may climb as high as 6,684 feet. Motorcycle riding exposes you to temperature extremes that vary widely, and are typically related to the elevation or region in which we are riding. This is not a place for novices or a place to learn to ride a motorcycle. It is important that you, the tour participant(s), is/are in reasonable physical health and accustomed to spending all day long aboard a motorcycle.

AGREEMENT
I (We) understand that operating a motorcycle is an activity that precludes and contains considerable risk of serious personal injury, paralysis, dismemberment, property damage, loss, and possible death. I (We) further understand that riding a motorcycle is subject to both foreseeable and unforeseeable risks and dangers. I (We) hereby knowingly and freely accept the risks of all personal injury and property damage to both myself, my passenger, and to others arising from my (our) participation in the Ride for the 4-H Clover motorcycle tour. I (We) do hereby release, waive, discharge, hold harmless and agree that my (our) dependents, heirs, successors, executors and assigns do release, waive, discharge and hold harmless against, and indemnify the Regents of New Mexico State University, its employees, officers, agents, affiliates, and assigns (collectively, “released parties”) from any and all claims, whether civil or criminal, including claims of death, bodily injury, illness, property damage or loss, however caused arising from or related to the motorcycle tour Ride for the 4-H Clover even if arising from the failure to act or negligence of the releasees or others.

I (We) agree to ride within my (our) riding ability and agree to not be influenced by any group or pack mentality to ride faster than is within my (our) ability, or what is considered safe riding conditions. Nor will I (we) be influenced by riding displays by my (our) fellow tour participants nor tour guides that could be considered unsafe. I (We) fully understand that I (we) may encounter riding conditions and roads that I (we) have not traveled before, have no prior knowledge of, and therefore will ride within a manner that is considered safe for those riding conditions.
Before signing, please make sure you have read and understand the waiver and release of liability.

I (We) understand and agree to all of the foregoing.
